**2018-19**

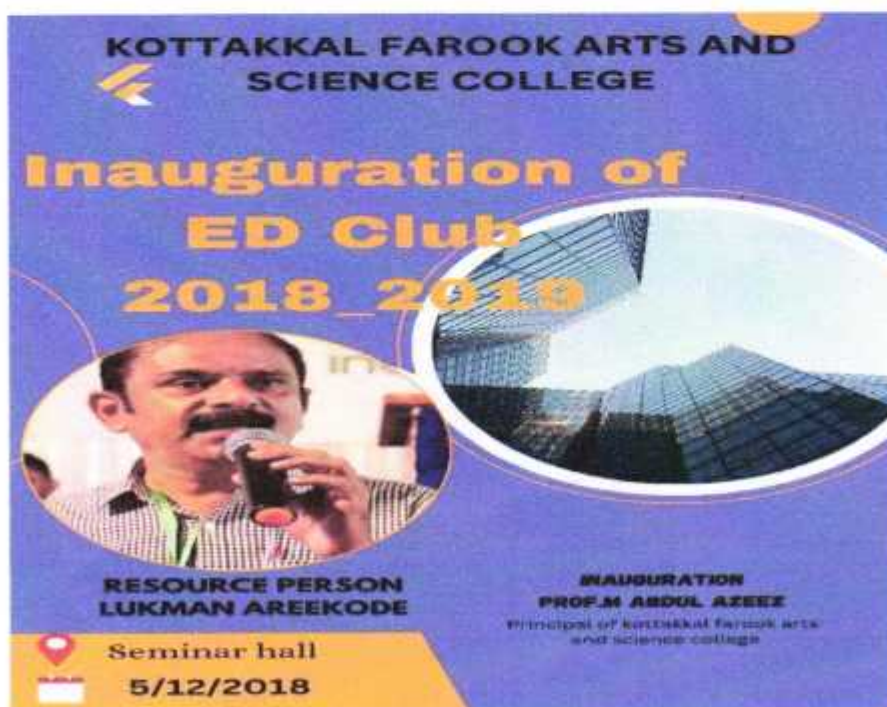

## Annual Report of the Entrepreneurship Development (ED) Club for the Year 2018-2019

### Introduction

The Entrepreneurship Development (ED) Club of Kottakkal Farook Arts and Science College had a dynamic and impactful year during 2018-2019. The club organized various activities aimed at fostering entrepreneurial skills and providing practical exposure to its members. This report summarizes the key events, including the inauguration of the club and an industrial visit, highlighting the contributions of participants and the outcomes of these initiatives.

### Inauguration of the ED Club

The inauguration of the Entrepreneurship Development (ED) Club took place on 5th December 2018 in the Seminar Hall from 2:00 PM to 4:00 PM. The event began with a welcome address by ED Club Coordinator Mr. Mujeeb TP, followed by the official inauguration by Principal Mr. Abdul Azeez. Mr. Lukman Areekode, a JCI Trainer, delivered a keynote address on "How to Build an Entrepreneurship," providing insights into idea generation, market research, business planning, and the importance of innovation. The event concluded with a vote of thanks by B.Com CA student Ms. Binsimol, marking the start of a new journey for aspiring entrepreneurs at the college.

### **Industrial Visit to Paragon Steel Pvt. Ltd**

On 4th January 2019, ED Club students visited Paragon Steel Pvt Ltd in Kanjikkode, Palakkad, for practical industry exposure. Departing at 6:00 AM and arriving by 8:00 AM, the group toured the plant from 11:00 AM to 2:00 PM, observing the entire steel production process, including raw material processing, melting and casting, rolling and finishing, and quality assurance. The visit provided valuable hands-on experience and insights into the steel industry, bridging the gap between theoretical knowledge and practical application. The day concluded with a visit to Malampuzha Dam, adding a recreational element.

### Conclusion

The 2018-2019 activities of the ED Club significantly contributed to the entrepreneurial development of its members. The inauguration event and industrial visit provided a strong foundation and practical exposure, respectively. These initiatives not only enhanced the students' knowledge but also inspired them to consider entrepreneurial ventures within various industrial sectors. The year was marked by successful events that laid the groundwork for future activities aimed at fostering a robust entrepreneurial ecosystem within the college.
