STUDENT ATTENDANCE MONITORING AND MENTORING BY ADVISORS

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FARDOK ARTS & SCIENCE COLLEGE
PARAPPUR (P.O) - 676 503

The Political science has implemented an efficient class monitoring system that involves regular assessment, class observations and feedback sessions to gauge student progress. The system ensures that student performance is closely monitored and appropriate interventions are made when necessary.

- The mentoring programme in the political science department plays a crucial role in providing personalized guidance and support to students. Each advisor is assigned a group of students to mentor throughout the academic year. The mentors actively engage with their mentees, discussing their academic goals, strengths and areas of improvement.
- The Political science department keeps a comprehensive record of levels taken by students to monitor their attendance and identify patterns that may affect their academic performance. Early intervention measures are taken when students show a consistent pattern of absenteeism.
- Regular communication with parents is a key aspect of the mentoring programme. Advisors regularly update parents on their child's progress, areas for improvement and overall wellbeing. This collaborative approach fosters a strong support system for students, leading to improved learning outcomes.

SUPPLEMENTAL LEARNING

Political science department implemented supplemental learning systems to provide additional support and enrichment to students. There are two essential components of the systems: Peer Tutoring and the role of advanced learners in facilitating supplemental learning. This initiatives aim to foster the role advanced learners in facilitating supplemental learning. The initiatives aim to foster a conducive learning environment that caters to the diverse needs of the students and promote collaborative learning within the department.

Peer Tutoring: The political Science department has established a peer tutoring programme to enable students to receive academic assistance from their peers who excel in specific subject or skill. Peer tutors are carefully selected based on their academic achievements, communication skills and willingness to help others. The peer tutoring sessions provide one-on-one or small group support to struggling student, enabling them to overcome challenge and improve their understanding of course material.

For organizing supplemental learning, five peer leaders have been selected by Head of the Department for each class. Peer leaders help other students to clear their doubts. By discussions and through friendly talk's students enhance their

1. MENTORING FOR STUDENTS

Mentoring has been a necessity to resolve problems relating to academics and other related issues faced by students. It is required for the students to achieve emotional stability and to promote clarity in thinking and decision –making for overall programme. Each teacher is assigned certain number of students for mentoring. They meet at regular interval to discuss, clarify and share various problems which may be personal, domestic and academic. The Mentoring can build healthy relationship between the students and teachers in building their discipline, Performance and also positive growth of the students.

The students were continuously mentored regarding their academics. They were motivated and continuously encouraged to seek help from teachers for the subjects in which are weak. Mentors encouraged students to participate in all co-curricular and inter-class events to help them develop confidence. After each internal the students of each mentor take notes of their progress in their learning and prepare them better for the end semester examinations.

Mentoring groups were formed under various mentees during the academic year 2018-19. The details of the students and allotted mentors are given below:

6) SPECIAL COACHING PROVIDED FOR SUPPLEMENTARY EXAMINATION

Special coaching was given to second year students writing supplementary examination by faculty members so that they can clear the examination with confidence. The support was extended outside class hours in the months of December 2018 and January 2019. Whatsapp Goups was specially formed for that purpose and notes and audio classes were distributed to the students.

The department of Political Science provides supplemental learning systems and additional support enrichment to students. There are two essential components of the system; peer tutoring and the role of advanced learners are facilitating supplemental learning. These initiatives aim to foster a conducive learning environment that caters to the diverse needs of students and promotes collaborative learning within the department.

7) EXTENSION AND OUTREACH ACTIVITIES

In the ever-evolving landscape of political dynamics and civic engagement, the role of a Political Science department extends far beyond traditional classroom teaching. Extension activities are essential in bridging the gap between academic knowledge and real-world application, fostering a more comprehensive understanding of political processes and societal issues.

The major Extension and Outreach activities by the Political Science Department in its adopted village in the fourth ward of Kottakkal Municipality is given below:

AWARENESS PROGRAMME NO SMOKING

Event: Awareness Programme on "No Smoking"

Date: November 17, 2018 (Saturday)

Location: 4th Ward Kottakkal Municipality

Organized by: First Semester Students, Department of Political Science

First Semester Students of the Department of Political Science at Kottakkal Farook Arts and Science College organized an extension activity No Smoking, focusing on raising awareness about the dangers of smoking and promoting a smoke-free environment. The event took place on November 17, 2018, at 4th Ward Kottakkal Municipality.

Objectives

- To educate the local community about the health risks associated with smoking.
- To promote the benefits of quitting smoking.
- To encourage the community to adopt a smoke-free lifestyle.

Activities

1. Inauguration Ceremony:

The event was inaugurated by the Panchayat President, Bushira Shefeera who emphasized the importance of public health initiatives and the role of community participation in making the campaign successful.

The Principal of Kottakkal Farook Arts and Science College delivered a speech highlighting the educational institution's commitment to social responsibility and public health.

2. Health Talk

A renowned pulmonologist Dr. Ashraf K K delivered a detailed talk on the adverse health effects of smoking, including lung cancer, respiratory diseases, and cardiovascular issues.

The talk also covered secondhand smoke and its impact on non-smokers, particularly children and pregnant women.

Impact

- The programme witnessed participation from a wide cross-section of the community, including students, local residents, and health professionals.
- The interactive nature of the session allowed for effective knowledge transfer and community engagement.
- The pledge ceremony and cultural programmes helped in reinforcing the message and fostering a sense of collective responsibility towards achieving a smoke-free community.

The awareness programme on No Smoking conducted by the Department of Political Science at Kottakkal Farook Arts and Science College was a significant step towards educating the community about the dangers of smoking. The event successfully engaged the local population and encouraged positive behavioral changes.

TRAFFIC AWARENESS CAMPAIGN

Event: Traffic Awareness Campaign

Date: January 11, 2019

Location: 4th Ward, Kottakkal Municipality

Organized by: Fourth Semester Students, Department of Political Science

Objectives

- Increase public awareness about traffic rules and the importance of road safety.
 - Inform residents about safe driving practices and pedestrian safety.
- Encourage adherence to traffic regulations to decrease the number of traffic violations and accidents.

Initial Planning and Preparation

Team Formation- Political Science students formed various committees to handle logistics, content creation, community outreach, and event coordination.

Material Preparation- Developed educational materials including brochures, posters, and banners highlighting key traffic rules and safety tips.

Campaign Activities

Roadside Workshops: Set up information booths at key intersections and busy areas to distribute materials and engage with the public on traffic safety in the road side of the 4th Ward of Kottakkal Municipality. Organized live demonstrations and role plays to show the correct ways to cross roads, use pedestrian signals, and follow traffic rules

Program Outcomes

- Significant improvement in public awareness regarding traffic rules and the importance of road safety in the 4th Ward.
- Noticeable increase in the use of helmets among two-wheeler riders and seat belts among car drivers, as observed during the campaign.
- Stronger community engagement and cooperation between Farook Arts and Science College, local authorities, and the residents.

The Traffic Awareness Campaign by the Political Science students of Farook Arts and Science College successfully raised awareness and educated the residents of the 4th Ward, Kottakkal Municipality, about the importance of road safety and adherence to traffic rules. The initiative led to increased community involvement, better understanding of traffic regulations, and a positive impact on road safety behaviors. The campaign provided valuable practical experience in community outreach and highlighted the importance of sustained efforts to achieve long-term change in traffic safety.

VOTER AWARENESS CAMPAIGN

Event: Voter Awareness Campaign for 2019 Lok Sabha Elections

Date: February 13, 2019

Location: 4th Ward, Kottakkal Municipality

Organized by: Second Semester Student, Department of Political Science

Objectives

1. Raise Awareness: Inform residents of the 4th Ward in Kottakkal Municipality about the importance of voting in the 2019 Lok Sabha elections.
2. Educate Voters: Provide essential information on voter registration, and the voting process.
3. Increase Voter Turnout: Encourage greater voter participation, particularly targeting young and first-time voters, as well as underrepresented groups.

Program Outline

1. Initial Planning and Preparation

Team Formation: Political Science students formed committees to handle different aspects of the campaign. Material Preparation - Creation of flyers, brochures, and posters with information on voter registration, the importance of voting, and how to vote.

2. Campaign Activities:

Students visited voters in the 4th Ward to discuss the importance of voting by a campaign in public road, distribute informational materials, and assist with voter registration. Organized informational sessions in public spaces where discussed the electoral process and the significance of voter participation.

Programme Outcome

1. A significant rise in awareness about the upcoming Lok Sabha elections among the residents of the 4th Ward, particularly regarding the importance of voting.
2. An increase in the number of registered voters, particularly among first-time voters and those from underrepresented communities.
3. Strengthened ties between Farook Arts and Science College and the local community through active engagement and collaboration.
4. Enhanced interest and involvement of young people in the electoral process, contributing to a more informed and active electorate.

The campaign was well-received by the community, with many appreciating the efforts to simplify the voting process and emphasize its importance. Some challenges included reaching out to the entire community and ensuring everyone understood the registration process.

8) CURRICULAR, CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

GANDHI DARSHAN

Date: January 30, 2019

Venue: Kottakkal Farook Arts and Science College, Department of Political Science

Introduction: "Gandhi Darshan" was organized by the Department of Political Science at Kottakkal Farook Arts and Science College to commemorate the 70th death anniversary of Mahatma Gandhi, reflecting on his enduring legacy and principles of truth, non-violence, and social justice.

Inauguration: The event began with an inaugural ceremony inaugurated by Prof. Abdul Azeez, Principal of Kottakkal Farook Arts and Science College. In his opening remarks, Prof. Azeez emphasized Mahatma Gandhi's pivotal role in India's freedom struggle and his profound impact on global movements for peace and social change.

Key Speakers: Several esteemed speakers addressed the participants during the event, providing insights into different aspects of Mahatma Gandhi's life and philosophy:

1. **Sampreeth TM (Chairperson):** As the Head of the Department of Political Science and the chairperson of the event, Sampreeth TM provided an overview of the significance of "Gandhi Darshan" in promoting Gandhian values among students and fostering a culture of peace and tolerance.
2. **Rhul TK:** Rhul TK delivered a speech focusing on Mahatma Gandhi's philosophy of non-violence (Ahimsa) and its application in resolving conflicts and promoting social harmony.
3. **Faris T:** Faris T discussed Mahatma Gandhi's vision of Swaraj (self-rule) and its implications for India's independence movement, highlighting Gandhi's leadership in uniting diverse communities towards a common goal.
4. **Sreenath:** Sreenath spoke about Mahatma Gandhi's advocacy for rural development and economic self-sufficiency through initiatives like khadi and cottage industries, underscoring their relevance in sustainable development today.
5. **Labeeb:** Labeeb addressed Mahatma Gandhi's commitment to social justice and equality, particularly his efforts against untouchability and caste discrimination, emphasizing their continuing relevance in combating social injustices.

Programme Highlights:

- **Interactive Sessions:** Participants engaged in interactive sessions where they discussed Gandhi's principles and their applicability in contemporary socio-political contexts.
- **Documentary Screening:** A documentary on Mahatma Gandhi's life and achievements was screened, providing a comprehensive overview of his contributions to India's freedom struggle and global peace movements.
- **Exhibition:** An exhibition featuring photographs, quotes, and artifacts related to Mahatma Gandhi's life and work was set up, allowing participants to explore his journey and legacy visually.

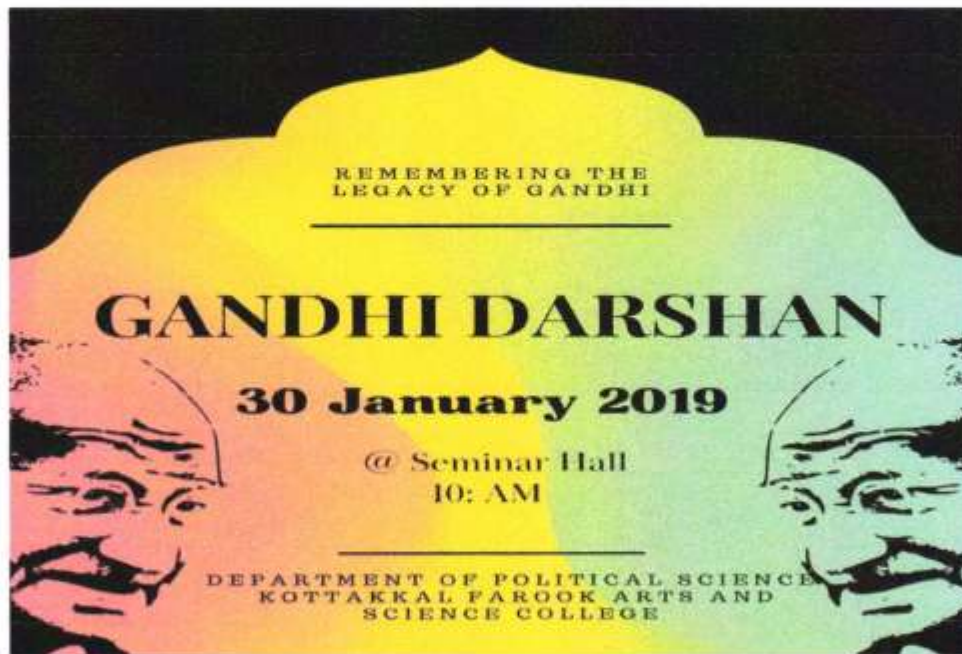

Prof. M. ABDUL AZEEZ
PRINCIPAL

Date: November 2, 2018

Time: 10:00 AM

Venue: Seminar Hall, Department of Political Science, Kottakkal Farook Arts and Science College

Introduction: On November 2, 2018, the Department of Political Science at Kottakkal Farook Arts and Science College organized a seminar titled "Project Skilling" in the college's Seminar Hall. The seminar aimed to emphasize the importance of skill development among students and its role in enhancing employability and career readiness. The seminar commenced with an inaugural ceremony presided over by Prof. Abdul Azeez, the Principal of Kottakkal Farook Arts and Science College. Prof. Azeez delivered an inspiring inaugural address, highlighting the college's commitment to holistic education and the significance of skill enhancement in today's competitive world.

Dr. Musthafa, renowned for his expertise in skill development and education, delivered the keynote address. He underscored the critical need for students to acquire both technical and soft skills to succeed in their chosen professions. Dr. Musthafa's speech was insightful and motivating, encouraging students to actively engage in skill-building activities. Sampreeth TM, a respected faculty member from the Department of Political Science, presided over the seminar. His guidance and leadership ensured that the event proceeded smoothly and effectively.

The program was efficiently facilitated by a dedicated team comprising Rahul TK, Faris T, Sreenath M, Labeeb, and Beena. Their meticulous planning and coordination contributed significantly to the success of the seminar. They managed logistics, participant engagement, and ensured that all aspects of the event ran seamlessly. Jaseela delivered the vote of thanks, expressing gratitude to all attendees, speakers, organizers, and contributors who made the seminar a resounding success. She acknowledged the efforts of everyone involved and highlighted the valuable insights gained from the seminar.

The "Project Skilling" seminar was of immense importance as it provided a platform for students to understand and appreciate the significance of skill development in their educational journey. It equipped them with practical insights and knowledge about the types of skills necessary to thrive in various professional domains. The seminar not only broadened their understanding but also inspired them to actively engage in skill-building activities both within and outside the academic curriculum.

Conclusion: The Project Skilling seminar at Kottakkal Farook Arts and Science College was a commendable initiative aimed at preparing students for the challenges of the modern workforce. It provided a platform for learning, interaction, and reflection on the importance of skill development. The Department of Political Science extends its appreciation to all participants, speakers, and supporters for their active involvement and enthusiastic participation. This seminar not only enriched the knowledge and skills of the students but also reinforced the college's commitment to nurturing well-rounded individuals equipped to make meaningful contributions to society.

QUIZ COMPETITION ON WORLD DAY OF HUMAN RIGHTS

Date: 10th December 2018

Venue: Kottakkal Farook Arts and Science College, Department of Political Science

Introduction: The Quiz Competition on World Day of Human Rights was organized by the Department of Political Science at Kottakkal Farook Arts and Science College to commemorate the importance of human rights globally. The event aimed to enhance awareness among students about human rights issues and to encourage their active participation in promoting and protecting these rights.

The event commenced with an inaugural ceremony presided over by Sampreeth TM, Head of the Department of Political Science. In his opening remarks, he emphasized the significance of human rights in contemporary society and highlighted the role of education in fostering respect for human dignity and equality.

Participants: A total of 30 enthusiastic students participated in the quiz competition. They represented various academic disciplines within the college, demonstrating a diverse interest in human rights issues.

Quiz Structure: The quiz was structured to test participants' knowledge on a wide range of topics related to human rights, including historical milestones, international declarations, current issues, and global human rights advocates. The questions were carefully crafted to challenge the participants' understanding and awareness of both theoretical concepts and practical applications of human rights principles.

Competition Rounds: The quiz comprised several rounds designed to progressively test different aspects of human rights knowledge:

1. **Preliminary Round:** All participants competed in a written or preliminary round, where they answered multiple-choice and short-answer questions to qualify for subsequent rounds.
2. **Quarter-Finals and Semi-Finals:** Qualified participants advanced through rounds of oral questioning, with each round increasing in difficulty and complexity.
3. **Final Round:** The top scoring teams or individuals from the semi-finals competed in a final round, which featured challenging questions requiring in-depth knowledge and critical thinking.

Interactive Learning: Throughout the competition, participants engaged in lively discussions and debates, not only answering questions but also discussing the significance and implications of human rights violations and protections in various contexts.
