KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE

STRATEGIC PLAN

OBJECTIVES, PLAN & DEPLOYMENT

OBJECTIVES

2018
- Enhance Academic Excellence
- Promote Holistic Development
- Ensure Inclusivity

2019
- Strengthen Infrastructure
- Enhance Academic Excellence
- Foster Community Engagement

2020
- Promote Holistic Development
- Ensure Inclusivity
- Enhance Academic Excellence

2021
- Strengthen Infrastructure
- Foster Community Engagement
- Enhance Academic Excellence

2022
- Promote Holistic Development
- Ensure Inclusivity
- Strengthen Infrastructure

PLAN

2018

Academic Excellence:
- Introduce new undergraduate programs.
- Organize faculty development programs.
- Implement innovative teaching methodologies.

Holistic Development:
- Initiate student counseling and mentoring programs.
- Conduct workshops and seminars on soft skills and personality development.
- Promote sports and cultural activities.

Inclusivity:
- Implement scholarship programs for underprivileged students.
- Ensure barrier-free infrastructure for differently-abled students.
- Conduct awareness programs on diversity and inclusion

2019

Infrastructure:
- Upgrade laboratory facilities and equipment.
- Enhance library resources with digital access.
- Improve campus facilities, including sports and recreation areas.

Academic Excellence:
- Continue faculty development initiatives.
- Encourage research and publications among faculty.
- Introduce skill-based certification programs.

Community Engagement:
- Launch community service projects.
- Collaborate with local organizations for social initiatives.
- Organize awareness campaigns on environmental sustainability.

2020

Infrastructure:
- Construct new academic and administrative buildings.
- Upgrade IT infrastructure for digital learning.
- Improve campus security and safety measures.

Community Engagement:
- Strengthen alumni network and involvement.
- Expand community outreach programs.
- Collaborate with NGOs for social projects.

Academic Excellence:
- Enhance interdisciplinary research opportunities.
- Organize national and international conferences.

2021

- Promote experiential learning through internships and field trips.

2022

Holistic Development:
- Enhance sports facilities and programs.
- Offer a broader range of extracurricular activities.
- Implement peer mentoring systems.

Inclusivity:
- Develop programs to support first-generation college students.
- Increase cultural diversity through exchange programs.
- Promote mental health awareness and support.

Infrastructure:
- Develop eco-friendly campus initiatives.
- Upgrade academic resources and facilities.
- Improve accessibility across the campus.

DEPLOYMENT

2018

- Form committees for each objective.
- Regular monitoring and evaluation by the IQAC.
- Engage stake holders through meetings and feedback sessions

2019

- Allocate budget for infrastructure improvements.
- Establish monitoring committees for each objective.
- Regular review meetings with stakeholders.

2020

- Create detailed action plans for each objective.
- Engage external experts for monitoring and evaluation.
- Regular updates and feedback from stakeholders.

2021

- Secure funding for infrastructure projects.
- Form task forces for each objective.
- Continuous feedback and assessment from stakeholders.

2022

- Detailed action plans with timelines.
- Involve community and alumni in initiatives.
- Regular monitoring and evaluation by IQAC
